

Strategy Two, Worksheet Three

Sample Guess/Actual Sheet for Going to Bed

Activity	Guess Time to Complete	Actual Time to Complete
Get backpack ready for tomorrow	5 min.	10 min. (couldn't find any pencils)
Get clothes ready for tomorrow	5 min.	15 min. (forgot to tell Mom to wash my gym clothes)
Take shower, brush teeth, wash face, and get into pajamas	30 min.	45 min.
Reading in bed	60 min.	45 min.

NOTES:

I like to read an hour in bed before I fall asleep, but because it took me longer than I thought to do everything else, I only had forty-five minutes to read. Tomorrow, I'll start earlier so I have more time to read.

NOTES:

I knew the science material better than I thought, but both the worksheets took longer than expected.
